

THE JIKEI UNIVERSITY SCHOOL OF MEDICINE
Elective Programme Feedback Form

Please give us your feedback on your elective experience. Your opinion is vital for us to improve our elective programme for future students. You can write as much as you would like.

Please ensure to submit this form ONE WEEK BEFORE the end of your elective to the office of Centre for International Affairs (the 2nd floor, Takaki Building. Telephone extension 2121) or by email (elective@jikei.ac.jp).

Student Name: _____

University: _____

Japanese language ability:

Attachment 1: From _____ To _____ Department _____

Attachment 2: From _____ To _____ Department _____

Attachment 3: From _____ To _____ Department _____

(1) What did you enjoy most during your elective?

(2) Were there any difficulties/problems/surprises during your elective? (e.g., ethical dilemma)

(3) Please circle the appropriate score for the following items:

Hospitality

Accommodation

Educational supervision

Academic work load

Time spent on wards/clinics

Assessment

(4) Did you achieve the aim of participating in your elective?

(5) How might the elective programme be improved?

(6) Please feel free to add any further comments about your elective to The Jikei University.

NB) All or part of your comments may be published in our school newspaper/journal or on our university website. This is to enable other students/medical school staff to appreciate your feedback. Should you wish your comments to be kept confidential or have any question, please contact Prof. Minamisawa upon submission of this form. Thank you for your cooperation!
